April 10, 1979

MEMORANDUM FOR:

[Redacted]

25X1

NIO/AFR
CIA

FROM:

Jerry Funk

OK

SUBJECT:

Interagency Memorandum on Rhodesia

Your April 3 general outline of the proposed memo on Rhodesia is promising, and certainly covers all of the topics which should be addressed.

I would suggest that under item D, you expand your considerations to include a fairly detailed assessment of pertinent international reaction to the possibilities of a Patriotic Front split and/or deal with Muzorewa.
